WHISTLEBLOWING POLICY (Version 1.0)

OUR PURPOSE

1.1 Our Goals & Commitment

Timah Resources Limited (“Company”) is committed to maintaining a high standard of integrity, investor confidence and good corporate governance. To achieve these, it is crucial that all of our employees and partners understand, follow, and adhere to our corporate values. We have put guidelines and policies in place to ensure we live by these values in our day-to-day work.

Together with our values, we want to have feedback and encourage people to speak up when they see activity or behaviour that they feel is wrong or does not match our values.

The goal of this policy is to provide very clear guidelines on how we approach and manage this feedback. With our whistleblowing policy, we aim to ensure:

- Every employee should have the chance to speak up when they feel we are not adhering to our corporate values. They should have a place to report misconduct, every report will be heard and acted on, and we will make improvements based on the results.
- The Company believes everyone should be able to make reports. We commit to protecting informant's identities.
- We will investigate every report of misconduct. At the end of the investigation, we will document the results and provide feedback when appropriate.

1.2 Our Commitment

The Company wants our employees to know they can provide information on any concerns they have, understand where they can report their concerns, know what happens after they make a report, and ensure they feel safe in providing a report. The Company also wants to let them know about how we, as an organisation, will ensure they are not subject to any retaliation or other abuse because they made a report.

1.3 What Conduct Should Be Reported

It is important that the Company outlines what behaviour we want to be reported under this policy. We want to hear from you if you witness or know about any behaviour that is:

- Fraudulent;
- Illegal;
- Corrupt;
- Dishonest;
- Unethical;
- Violates the law or any legal code;
- Is creating an unsafe environment;
- Breaches any of our company’s policies;
- Discrimination;
- Harassment and/or bullying of any kind;

This policy applies to all the Company’s businesses, divisions, and offices. It also applies across all jurisdictions where we operate. If local legislation, regulation, or laws provide a higher level of protection than what is included in this policy, the local legislation will take precedence.

PROESS FOR MAKING A REPORT

2.1 What Options Do Employees Have For Making A Report

If an employee or eligible person would like to make a report, they have different channels available where they can do this.

- Being terminated or having their employment ceased;
- Harassment on the job or workplace bullying;
